METROPOLITAN DISTRICT COUNCIL

BACKGROUND AND CONTEXT

The Council is required by law to publish information relating to certain categories (known as Protected Characteristics) under the Equalities Act 2010. Promoting Equality is one of the Council's core principals and is central to all we do.

Information has been collected for a number of years on Race, Disability, Gender and Age. From 2013 we have also collected information on Sexual Orientation and Religion & Belief and currently 30.47% of Council employees have provided data on Religion & Belief and 28.84% have provided data on Sexual Orientation. This is a significant increase on last year following an active campaign to gather this data.

To comply with our legislative obligations information relating to the Council's Gender Pay Gap has also now been compiled and published on the Council's website and can be found at <https://www.bradford.gov.uk/open-data/our-datasets/pay-grading-structure-and-senior-salaries/> An additional slide showing an overview of this information has also been included in this presentation.

The Council record Pregnancy and Maternity on its HR/Payroll system. There are no current issues highlighted in this respect.

BACKGROUND AND CONTEXT (Continued)

The Council is aware of its on going duty to collect information of employees and service users with protected characteristics.

The Council continues to monitor the implications of on going workforce reductions following cuts in central government funding, particularly in terms of its employees with protected characteristics.

The Council has implemented an equality proof pay structure for its entire NJC staff up to former Scale 6.

The Council has committed to paying above the current statutory minimum wage from October 2015. This resulted in an increase in pay for over 2,000 of the Council's lowest paid employees.

The Council routinely carries out Equality Impact Assessments on its policies, processes and procedures.

WORKFORCE PROFILE – AGE EMPLOYMENT OF YOUNGER PEOPLE – 30 June 2019

The number of staff under 25 years of age reduced significantly as a consequence of reduced recruitment overall and the original under 25's growing older. The Council introduced an Apprenticeship and Traineeship Scheme in order to help address this decline. Numbers have started to increase, it is anticipated that the number of staff under 25 will continue to increase in the coming years as a result of the Apprenticeship Levy. The average age of the workforce (excluding Schools) has increased to 46.7 years old.

ENGAGEMENT WITH EMPLOYEES

Bradford Council produces an annual Employee Engagement Plan that aims to support and develop our employees so that they have the skills, knowledge and confidence to deliver our services well.

The Employee Engagement Plan also sets out a range of interventions that are designed to help keep our staff informed, involved, and up to date with what is happening across the Council.

Communication channels used within the Council include regular messages from Corporate Management Team (the Chief Executive and all Strategic Directors) on the Council's internal website (known as BradNet).

The Council produces two staff newsletters: 1) Pride @ Work Express, and 2) Managers Express. Staff newsletters can be made available in a range of formats to meet the needs of individual employees. The Chief Executive and the Leader of Council also produce a monthly bulletin "Backing Bradford District" which reports on priority issues facing the District. This is available to both employees and the public via Stay Connected.

<https://www.bradford.gov.uk/contact-us/email-alerts/stay-connected-sign-up-for-email-alerts/>

The Council has established the Cross-Departmental Equality Group, the group is made up of reps from across all departments. Reps act as a conduit between the group and their departmental management teams. The Cross Departmental Equality Group is tasked with helping to make equality and diversity improvements that will support the development of our workforce.

ENGAGEMENT WITH TRADE UNIONS

Effective change management is based on on-going engagement between the Council and Trade Unions as well as specific consultation or negotiation on organisational change matters affecting the workforce.

This engagement enables the Council to discuss with Trade Unions, at an early stage, significant developments which may impact on employees and enable the Council to understand, respond and work with Trade Unions before formal implementation commences.

All reports to Executive on workforce change includes a statement on the unions' views in relation to the proposals, in order to inform the report.
